## THE IRELAND FUNDS

The National College of Ireland’s Early Learning Initiative is just one example of our commitment to helping Ireland’s neediest children get a head start in life. With help from The Ireland Funds, a new lifeline of education is being built for children like Isabelle from disadvantaged backgrounds. Parents are shown how to play a key part in their children’s early development and they are putting Ireland’s next generation on a path to success.

The Ireland Funds has supported over 3,000 outstanding Irish organizations and causes. Let us help you connect with Ireland and realize your philanthropic goals. [www.irelandfunds.org](http://www.irelandfunds.org)

Welcome to the Emerald Isle Immigration Center's 2017 Fall Fundraiser at The Manhattan Club. Thank you all for being here to celebrate this event, as we honor William "Bill" Mulrow and Gerard Fitzgerald. By showcasing their achievements, we can reflect on some of the reasons why so many immigrants from all around the world continue to seek the hope of a better life in America.

Since our founding in 1988, the Emerald Isle Immigration Center has provided assistance for tens of thousands of immigrants. What began as a small grassroots organization has evolved into one of the most prominent and successful Irish community service organizations in the world, serving clients from over 70 countries.

There continue to be many reasons for this growth phenomenon: several of our Board members were Irish Immigration Reform Movement (IIRM) founding members and volunteers, and have never lost their passion; we would not survive without their continued drive, ability and energy. They, and all of our staff, past and present, are jointly the reason we have earned such an outstanding reputation in our field. Our work continues in many directions and can be captured in the following highlights knowing that the highest emphasis possible is placed on the confidentiality associated with our service provision:

- ❖ **U.S. Citizenship Integration Program** – Providing the American Dream!  
12,000 individuals from over 70 countries have attained U.S. citizenship and naturalized with our help.
- ❖ **Immigration and Legal Services Phone Counseling** – 8,000 phone calls are received annually from individuals seeking assistance with immigration-related matters.
- ❖ **DACA/DREAMers/DAPA** – Over 100 clients have registered for our help in just the past year.
- ❖ **Meals-on-Wheels** – We average close to 40 meals-on-wheels DAILY in the Woodlawn/Bronx/Yonkers area with the help of our amazing Emerald Angel Volunteers—that's over 10,000 meals delivered per year!
- ❖ **Benefits Assistance** – Almost 500 hours annually are dedicated by our social worker and case workers, aiding the needs of our seniors in obtaining benefits and social care assistance.
- ❖ **Health Care** – We have trained NY State Navigators on staff providing registration under ACA.
- ❖ **Mental Health** – More than 1200 hours of psychotherapy and mental health counseling are offered annually.
- ❖ **ESL, English as a Second Language** – Classes are provided to 500+ persons per year.
- ❖ **Social Groups** – We offer many group socialization options, including an active Irish Language group, a Knitting Group, movie groups, outings, book club, scrapbooking, computer tutorials and classes.

My personal thanks to all who have worked on our event committee this year, raising the funds to support all our programs and services lead by this year's Event Chair and Board member, Jim Kilkenny. Thanks to Jim and the uniquely dedicated Journal team, comprised of our Executive Board members Mae O'Driscoll and Noreen O'Donoghue, and also to the dedicated team of staff at EIIC who worked so hard to make every aspect of tonight's event such a great success, particularly our current trainee Áine Kiernan!

As we approach our thirtieth year of service, we are mindful that we still need impactful immigration reform and hope that current efforts will see meaningful change realized.

With that in mind, EIIC will continue to serve immigrants from all over the world, including Ireland, as only we can do.

Sibhan Dennehy, Executive Director, October 30, 2017

# Gerard Fitzgerald

Gerard Fitzgerald is the President of the Uniformed Firefighters Association of Greater New York (UFA), the civil servants union that represents the over 8,000 firefighters that make up the FDNY. Gerard is a proud first-generation Irish American, who has an appreciation for his Irish heritage.

His father, Gerard Fitzgerald Sr. was from Crossboyne Co. Mayo, and his mother, Mary Fitzgerald nee Forde, was born in Rathlacken Co. Mayo. Throughout his life Gerard has maintained strong ties to Irish traditions and his family, being afforded the luxury of visiting his family in Ireland frequently.

Eighteen years ago Gerard followed his father – a retired NYPD Detective – into a life as a civil servant, when he joined the FDNY. For the past five years he’s worked in the union as an advocate for its members, recently winning election as UFA President. Whether it is through work as civil servants in the FDNY and NYPD, or throughout the City’s business, religious and non-profit sectors, Gerard believes that Irish-Americans have played an oversized role in the growth and transformation of New York over the last 100-plus years and is honored to receive this recognition from the Emerald Isle Immigration Center.

Gerard is married to his lovely wife Eileen for almost 24 years and is the proud father of two girls, Casey, 20, attending St. Joseph's College and Melissa, 18, attending Quinnipiac University.

Dear Friends:

It is a pleasure to send greetings to everyone gathered for the 29<sup>th</sup> Annual Fall Fundraiser of the Emerald Isle Immigration Center.

We all recognize the importance of those organizations that function as valuable resources for the more vulnerable among us. The newly-immigrated, those who have just arrived in New York to start a new life, need reliable immigration services to help them get settled. Since 1988, the EIIC has been an exemplary provider of services to recent immigrants, offering employment counseling and placement programs, computer training, educational guidance, assistance with immigration law and help attaining citizenship.

Tonight, you come together to pay tribute to distinguished honorees, and I join in congratulating my good friend and former member of my administration, Bill Mulrow, and Gerard Fitzgerald, President of the Uniformed Firefighters Association of Greater NY. As well, I commend Chairman of Brian O'Dwyer and the Board of Directors, Executive Director Siobhán Dennehy and everyone affiliated with the EIIC for their tireless and highly effective efforts to welcome and acclimatize newly-arrived New Yorkers.

With warmest regards and best wishes for an enjoyable evening.

Sincerely,

Dear Friends:

It is truly an honor to greet each of you in attendance at the **Emerald Isle Immigration Center 29<sup>th</sup> Annual Fall Fundraiser**. Tonight's event gives us the opportunity to celebrate this institution and recognize those exemplary leaders who are moving The Bronx and New York forward.

Since its inception in 1988, the **Emerald Isle Immigration Center** has stood as a beacon of hope and prosperity for the tens of thousands of Irish immigrants traveling to New York in search of the American Dream. For nearly three decades now, this organization has never wavered from their commitment to the Irish Americans that add to the rich diversity of The Bronx and New York City as a whole. Their dedicated staff has proven itself skilled at solving issues related to immigration, mental health, employment, education, and social and senior services, and in doing so, easing the difficulties of the transition to life in a new country.

I would like to congratulate tonight's special honorees: **William "Bill" Mulrow**, Senior Advisor for Blackstone and Chairman for Cuomo 2018; and **Gerard Fitzgerald**, President of the Uniformed Firefighters Association of Greater New York, Local 94, I.A.F.F., AFL-CIO. Each of these individuals have made their own unique contributions to the Emerald Isle Immigration Center and our Irish American community.

Best wishes for a memorable evening. I look forward to many more years of this organization's selfless service.

Sincerely,

Senator Jeffrey D. Klein  
NYS Senate Majority Coalition Leader &  
Independent Democratic Conference Leader
